

LE baluchon

ÉCO-VILLÉGIATURE

Launch of cultural activities at Le Baluchon

Saint-Paulin, July 17, 2018

This summer, Le Baluchon is offering brand-new cultural activities which will let you enjoy unique outdoor and cultural experiences in a delightful setting.

River adventure : « The legend of Yuma »

Immersive adventure for the whole family • Outdoor • Mysteries

Set out on an adventure aboard a rabaskaw canoe on the trail of the legend of Yuma. You will meet two mysterious explorers looking for the truth behind the legend. But this excursion is far from over, as they will be your guides on their quest. In the course of your journey, you will become the heroes of this crusade.

Discovering America's nordic foods

Observation • Interpretation • Sensory discoveries • Tasting

A new joint venture with *Pignon sur bois* !

Our team of passionate naturalist guides will enable you to discover nordic foodstuffs in the course of a trip on the river and in the forest. Learn how to identify mushrooms, plants and trees, and discover new woodland flavours ! Watch the video

River concert-cruise

Concert on the river • Magical moment • Sensory discoveries • Observing nature

Sail aboard the Triton Vert on the Rivière du Loup and enjoy a concert by singer-songwriter Sylvain Lamy, accompanied by his guitarist. Come and discover along the river, as far as the end of the island, the songs from his album, *Le Grand Marcheur Du Sable*, in the acoustic folk version ! You will enjoy a very special moment in perfect harmony with the natural beauty surrounding the magnificent Rivière du Loup.

Horseriding activity : Your inner cowboy

Adventure • Equestrian skills • Obstacle course • Games

Take part in this brand-new activity and discover new talents you didn't know you had through games testing horse-riding skills in the woods and in a paddock. Individually tailored for all types of riders, from beginners to experts, this activity will provide you with an unforgettable experience.
